Executive Summary

B.Sc. Computer Science graduate with a strong foundation in software development and programming. Experienced in building practical applications, learning modern technologies, and applying problem-solving skills to deliver effective technical solutions.

Education

- **B.S.C Computer Science** The New College (Autonomous), Madras University. **2023–2026**
- **Higher Secondary (Class 11 & 12)**, GOVT(ADW). HR. SEC. **2021–2023**
SCHOOL, Meenambakkam.
- **Secondary (Class 9 & 10)**, Arignar Anna Cantonment Board High **2019–2021**
School

Internship Fullstack Development

Livewire, Mylapore

- Completed a Full Stack Development internship with hands-on exposure to front-end and back-end technologies.
- Gained practical experience by learning and applying modern web development concepts and tools.
- Designed and developed a **Mobile Suggestion Website**, focusing on user-friendly interface and application functionality.
- Worked on implementing core features such as data handling, page navigation, and responsive design.
- Improved problem-solving and debugging skills through real-time development tasks.

Technologies and Languages

Web Technologies: HTML5, CSS3, JavaScript (ES6+), React.js, Node.js, Express.js, MongoDB, Tailwind CSS

Programming Languages: C, SQL, Python (Basic), Java (Basic), C++ (Basic)

Developer Tools: Visual Studio Code, Git, GitHub

Projects

Sportify E-Commerce Website

- Developed a full-stack e-commerce web application using React, Node.js, Strapi, and MySQL.
- Implemented user authentication, product listing, shopping cart, and order management features.
- Designed a modern, responsive user interface using Tailwind CSS.
- Built and consumed RESTful APIs with Strapi for product and user data management.
- Integrated front-end and back-end with secure data flow and CRUD operations.

Mobile Suggestion Website

- Developed a mobile recommendation web application using React.
- Displayed detailed mobile specifications, pricing, and feature comparisons.
- Implemented dynamic filtering and suggestion logic based on user preferences.

Extra Curricular Activites

- Played **First Division Football** at district level (Kancheepuram)
- Participated in coding competitions and codeathons to strengthen problem-solving and technical skills.
